CDesign

6. The timeline provided is exclusive of feedback incorporation time (unless specified otherwise). Feedback implementation will affect the timeline depending on the extent of the feedback received.
7. Any work beyond the defined scope (such as Design Changes, Development Changes, Additional Feedback Rounds, etc.) will qualify as Change Requests and incur a cost.
8. The client will be liable for providing and uploading content (images, texts, brand assets) necessary for the completion of the project.
9. CDesign will not be liable for the extension of the project timeline due to delays in the delivery of required content or approval/support from the client.
10. Technical maintenance is free for the first month after the website is live. After this period (1 month), the maintenance plan can be availed to maintain the website's health.
11. All rates provided will remain valid for one calendar year from the project initiation date.
12. The client will provide all API and API documentation (if applicable). The feasibility and timeline and hence the cost of integration depend on the permission provided as per the documentation.
13. Domain and Hosting are to be acquired by the client.
14. CDesign retains the right to display its logo and include a hyperlink to its website on any website designed or developed by CDesign, as a form of attribution recognizing CDesign's contribution to the project. Should the client request the removal of the CDesign logo or hyperlink from the website, such removal will be subject to a compensation fee equivalent to thirty percent (30%) of the total project value. This fee represents the value of the attribution and the associated promotional benefits conferred upon CDesign.
